Newly Weds Foods Adds To Its Liquids Manufacturing Capabilities

Chicago, Illinois (6/5/19) – Global food ingredients company Newly Weds Foods, Inc. announces the acquisition of U.K based Jigsaw Foods Ltd, a leading manufacturer of sauces and butters. Jigsaw currently operates out of its primary facility in Shirebrook, Nottinghamshire as well as a second location in Lanham, Maryland (US) providing customized products including sauces, butters, dressings and spreads to all types of food manufacturers and food service operators across the UK and US. The Jigsaw Foods operation joins existing Newly Weds Foods UK sites located in Ossett, Banbury and Corby.

Charles T. Angell, President of Newly Weds Foods said, “The addition of Jigsaw Foods is one more step in Newly Weds Foods strategy to grow the company’s global portfolio of liquid product capabilities. Along with the acquisition of liquids manufacturer Mullins Food Products just 18 months ago, Newly Weds is positioning itself very well to meet the needs and expectations of customers wanting to take advantage of this exciting flavor forward category.”

Headquartered in Chicago, Newly Weds Foods is a leader in the production of food coatings, seasonings, sauces and functional ingredients for the food processing and food service industries. In addition to 17 North American manufacturing facilities, Newly Weds now has 11 plants throughout the UK, China, Australia, Thailand, the Philippines and New Zealand with 1 location in India soon to come on line. All support customers in over 80 countries.
