

Biscuit Crumb

Newly Weds Foods introduces a unique crumb that will invoke a warm sense of nostalgia for anyone that grew up eating delicious homemade biscuits. This crumb will surprise and delight consumers with its authentic taste and texture, staying true to what makes Southern style biscuits so appealing.

Features & Benefits

- Biscuit crumb delivers a wonderful tender bite reminiscent of homemade biscuits from the South.
- Perfect for pairing with breakfast inspired flavors such as bacon, maple and fruits but, has the universal appeal to complement flavors consistent with other dayparts as well.
- Its unique crumb texture is great for use as a stand alone outer breader or incorporated in a customized blended breader system.

Applications

- Seafood
- Beef
- Pork
- Poultry
- Meat Alternatives
- Sweet Desserts
- Appetizers
