

The Flavor Wonder From
Down Under

ChickenSalt

Chicken Salt is a condiment in Australia that is as commonplace as ketchup and mustard are here.

It is traditionally made from braised, salted and dried chicken, that is ground and blended with salt and other seasonings. Newly Weds Foods has elevated this flavor “bomb” to deliver great umami impact, and added global inspiration found in current food trends.

It makes a great rub or marinade for a variety of proteins, a tasty seasoning blend for ready-to-eat meals and a great way to bring trending flavors to life. Newly Weds Foods Chicken Salt is the perfect complement to just about everything.
