

ROTISSEfRIE™

The Next Generation In Fried Chicken from Newly Weds Foods!

The popularity of breaded fried chicken sandwiches and nuggets continues to grow. Restaurants are looking for every way possible to distinguish themselves in this category and take full advantage of consumer demand. At retail, food stores have experienced a similar phenomenon with rotisserie chicken. Newly Weds Foods saw an opportunity to combine the best of both products into a single offering that fits the needs of today's foodservice concepts. One that has the great taste, texture and visual appeal of rotisserie, along with portability, operational simplicity and the cooking speed of frying. If you are looking to add variety and a unique addition to this sales driving menu part, Newly Weds Foods' **ROTISSEfRIE** system is the perfect choice.

- Rotisserie experience with the convenience of a fried application
- Innovative addition to a category with high consumer awareness and participation
- Complementary to breaded chicken offerings with incremental sales potential
- Customized flavor opportunities
