

MASA

biscuit mix

BAKERY THAT WILL A-MAIZE YOUR TASTEBUDS

- A unique twist on biscuits that incorporates the flavor and texture of masa products like tamales or corn tortillas.
- Easy to use premix available for either drop biscuit or sheet and cut formulas.
- Compatible with standard cooking methods, including baked, fried, oven and microwave.
- Flavor options are available to complement featured cuisine tastes from savory to sweet.

- Not just for breakfast! Masa biscuits are a very versatile component that fits across all dayparts and in many different types of menu offerings. From a stand-alone side to a center of the plate accompaniment to a sandwich build and more.
- Housemade biscuits are a key differentiator for independent and national chain restaurants alike, drawing consumers in with this signature product. Biscuits are on 13.8% of all U.S. menus and 25.4% of national chain restaurants highlight them.*
